¹ IPO Date indicates the date when a security was first made available for public purchase, and could be through Initial Public Offering or Direct Listing

² Current SCM Holding Initiation refers to the first SCM trade date in the security. In cases where we previously initiated a position and then sold it completely, Prior SCM Holding Initiation is provided separately.

³ Prior SCM Holding Initiation refers to the first trade date of the first time SCM initiated a position in the security in cases where we previously initiated a position and then sold it completely.
